

Financial Policy effective 3/1/2017

An initial evaluation with treatment is \$150. Payments for all treatments are due at the time of the appointment. Follow-ups are \$80 per treatment. All payments are due at the time of service.

There may be one or two times a year that a special thank you will be offered in the form of a discount. Any discount will be for one treatment, it will not be redeemable for cash, nor duplicated, nor combined with any other discount. I reserve the right to alter the terms of these discounts/gifts at any time.

I work with each patient for 55 minutes to two hours at a time, and do not double book, a 24-hour cancellation period is required for all visits. The full visit rate is applied to any cancellation made with less than a 24-hour notice.

I accept cash, personal checks, MasterCard, Visa and Health Flex payments in credit card form.

Acupuncturists may no longer in the state of Florida bill PIP the auto medical component, during a medical claims case. All auto claims will be treated the same as a self-pay. I do encourage you to always consult with your own health insurance carrier to see if you have any out-of-network coverage for acupuncture.

Worker's Compensation is accepted, as long as all precertification by the utilization board approves the acupuncture treatments, you provide a doctor's Rx with diagnosis and a referral for you to have Acupuncture. If the worker's Compensation Carrier does not make timely payments I will request you self-pay.

I will make two attempts to collect any unpaid claims to you/ or me by your carrier, after that the patient or patient's legal guardian will be responsible for all outstanding balances within 7 business days. At your request copies of any bills will be provided to the patient within 7 business days upon request.

* Any active patient, (anyone I have treated within 3 months of their last treatment) will be grandfathered in at their current billing rate. Retroactive billing is not available.
